

# Turnitin

---

1. The Turnitin Suite (OriginalityCheck, PeerMark, GradeMark) – Turnitin is more than a tool to check for plagiarism. - [http://www.turnitin.com/en\\_us/products/overview](http://www.turnitin.com/en_us/products/overview)
2. Watch 3 short videos (of the 4, skip the first one, then watch the next three) to get a good overview on what is available:
