Ryan Portenga, Athletic Director

November 2012

To Whom It May Concern:

This year at Mona Shores High School, we have implemented strategies to promote positive behavior. Our goal as a team is to change our school environment to focus on positive rather than negative behaviors. Our belief is (and research shows) that the more we focus on the positive behaviors, the more positive behaviors will be displayed, therefore, cutting down on discipline and raising student achievement. Included in this letter is a brochure that explains Positive Behavior Intervention and Supports (PBIS). We believe that if students are using this within school, it will transcend also to the public. This is where we need your help.

As part of our new Sailor P.R.I.D.E theme at Mona Shores High School, we are looking to create a treasure chest of prizes for when students get “caught in the act” of showing P.R.I.D.E. This is where we need to ask our local businesses for help. We are looking to fill our treasure chest with prizes such as gift cards, school supplies, or anything that high school students would like. If you would rather provide a monetary gift, then we can purchase the items as well. For our grand prize drawings, we would like to give away something much larger; for example, an electronic device, a television, a bike, a gift card, etc.

We are truly excited about how this positive academic behavior plan will change our school environment and help all students become successful in school, in their futures, and within the community. Whatever you can do to help will be greatly appreciated.

Please feel free to call or email with any questions. You may send any items to the above address, or you may contact any one of us, and we would be glad to pick up any items that you would like to donate.

Thank you for your time and consideration!

Sincerely,

Anne Brainard
