

Percentage of students who are reading above and below grade level per the Nelson-Denny Reading Test, administered to all 9th grade students in the fall and again in the spring. These spring scores include the special education students, and do not include scores from absentee students or students no longer enrolled.

CLASS OF	READING AT OR ABOVE AVERAGE	READING BELOW AVERAGE
2012	71%	29%
2013	71%	29%
2014	59%	40%
2015	74%	25%
2016	66%	34%
