

- Conditioning—Pavlov—Deltas trained to hate books and flowers (use things, do not read and enjoy things!)
- Why no love of nature? (Pg. 23)
- What things are taught as “bad”?
- Sleep teaching—values taught/moral education, teach prejudice
 - “The greatest moralizing and socializing force of all time” (Huxley 28).
- A child’s mind must become the suggestions of the state—an adult’s too!
