

## **ATTENTION-GETTER TECHNIQUES PRACTICE ACTIVITY**

1. Choose **ONE** of the following topics:

Study Habits	The Golden Rule	Pet Care	Shoe Selection
Road Rage	Pollution	Video Games	Money

(It is likely, but not required, that you will have to narrow your general topic down to some more specific element of the overall topic in order to create a truly useful or interesting attention-getter.)

2. Select **THREE** types of attention-getting techniques and write out a sample attention-getter for your practice topic using the correct format for each of the three techniques you have selected.

☺ Be creative. Make sure you label each **TYPE** of attention-getter.
